2. Subject of data protection

The subject of data protection is the protection of personal data. This is any information relating to an identified or identifiable natural person (so-called data subject). This includes, for example, information such as name, postal address, e-mail address or telephone number.

3. Purposes and legal bases of data processing

The following provides you with an overview of the purposes and legal bases of data processing in the context of the implementation as well as the preparation and follow-up of our Annual General Meeting.

We process the following data in order to enable shareholders and their representatives to participate in the Annual General Meeting and to exercise their rights under the German Stock Corporation Act and the Articles of Association of Porsche AG

- Salutation, surname, first name
- Custodian Bank
- Contact details (e.g. address, e-mail address, telephone number)
- Share-related data (e.g. number of shares, class of shares, type of ownership of shares, voting rights)
- Annual General Meeting-related data (e.g. registration confirmation number, powers of attorney, exercise of voting rights and other rights)
- Technically necessary data (e.g. log-in data, session data, IP addresses, cookies, referrer URL, meeting key/meetingID, password) in the context of participation in the Annual General Meeting by electronic connection via a General Meeting System ("InvestorPortal") and when using the InvestorPortal to exercise shareholder rights before and during the Annual General Meeting.

In this context, the processing is carried out in particular

- to verify eligibility to attend the Annual General Meeting
- to send registration confirmations
- to enable the exercise of voting rights
- for the creation of the directory of participants
- for the recording of powers of attorney and instructions and their revocation
- to enable the exercise of other shareholder rights (e.g. right to speak and to request information, right to submit statements, right to submit and make motions and election proposals, and right to object)
- for the participation and exercise of shareholder rights on the provision of the InvestorPortal within the framework of the Annual General Meeting as a virtual Annual General Meeting in accordance with Section 118a of the German Stock Corporation Act (AktG)

The processing of your personal data is necessary for the fulfilment of our legal obligations (in particular pursuant to Sections 67c (3), 118, 123 (2) and (4), 129 (1) sentence 2, 130 (6) of the German Stock Corporation Act). The prerequisite for participation in the Annual General Meeting

is the proper registration in accordance with the German Stock Corporation Act. Proper registration requires the processing of personal data. Accordingly, the legal basis for the processing is Article 6 (1) (c) GDPR.

We also process the aforementioned data in order to comply with the securities trading regulations of non-European countries. If you contact us as a shareholder or representative, we will also process the personal data that was provided in the context of the enquiry and that is necessary to answer the enquiry. If necessary, we may also process information on motions, questions, election proposals and requests from shareholders or representatives at the Annual General Meeting. This data processing is necessary to safeguard our legitimate interest in the smooth and orderly conduct of the Annual General Meeting. The legal basis for this is Article 6(1)(f) GDPR.

We store the aforementioned data in accordance with legal obligations, e.g. due to regulatory requirements as well as retention obligations under stock corporation, commercial and tax law. For example, we are legally obliged

- to document declarations of power of attorney for proxies in a verifiable manner and to keep them protected from access for three years (Section 134 (3) sentence 5 of the German Stock Corporation Act)
- to keep a voting confirmation for each voter for four weeks (Section 129 (5) of the German Stock Corporation Act)
- to keep the directory of participants for two years (Section 129 (4) of the German Stock Corporation Act)

The legal basis for the fulfilment of statutory retention obligations is again Article 6 (1) (c) GDPR.

The entire Annual General Meeting of the Company will be broadcast live on Tuesday, 23 June 2026, starting at 10:00 a.m. (CEST) for duly registered shareholders or their proxies in the InvestorPortal. In this context, we are pursuing the interest in organizing and holding the virtual Annual General Meeting within the meaning of Section 118a of the German Stock Corporation Act (AktG) via the InvestorPortal. The legal basis for the transfer is Article 6 (1) (f) GDPR. Only the introductory statements of the Supervisory Board and the Executive Board will be recorded and will be available as a recording after the end of the Annual General Meeting. These can also be followed live by other interested parties on the company's website at <https://investorrelations.porsche.com/en/general-meeting-26/>

- Processors: Group companies of Porsche AG or external service providers that we use to provide services, e.g. in the areas of technical infrastructure and maintenance. These processors are carefully selected by us and regularly audited to ensure that the security and confidentiality of your personal data is maintained. The service providers may only use the data for the purposes specified by us. For the technical aspects of the live broadcast of the Annual General Meeting, the video communication of connected shareholders as well as the real-time subtitling of spoken contributions, we additionally use ViStream GmbH as a processor. The use of subtitling also serves to improve accessibility.
